Elevate Sunset Desert Safari

This Desert Safari has received the most accolades because it manages to capture the best of the desert and Arabian culture in one night.

You'll become acquainted with the desert in the best way possible by arriving with dune bashing in a 4x4.

As the sun sets, another 4x4 awaits you in the form of our trusty desert camels, who will take you to your sandboarding activity.

As the night sets, the spirit of the desert really comes alive: join in with traditional music and dance, get a henna tattoo and enjoy a beautiful meal under the Arabian stars.

Elevate Morning Desert Safari (Sharing)

There is something extremely rejuvenating about a morning desert safari, the sun appearing to greet you first as it climbs over the horizon.

As the desert starts to heat up, you feel the excitement of the day ahead.

Your experience kicks off with an exhilarating dune bashing experience in a 4x4, driven by expert desert guides. To complete the morning, you'll finish with a leisurely camel ride as you roleplay a Bedouin heading off in search of food and water.

If later you choose to lie by the pool for the rest of the day, you'll know you've earned it.
